Platform*: Nashville Omaha Autoclose Required*: Yes, time: _____ No

Menu: Yes No Menu URL: _____ Menu Hard Copy (include with this form)

When you provide the menu for the menu build, it will be uploaded to the new merchant's dashboard. Once the menu build is complete, as long as the new merchant has either registered or has the classic software bundle, it will load to the device. If they haven't activated the device yet, once activation is complete it will load. If the device is already activated, they will just need to sync the device.

Software (Choose One)*: Payment Plus^{1,2} \$4.95/device Register Lite^{1,2} \$9.95/device

Register¹ \$39.95 first device; \$9.95/device after Counter Service Restaurant – QSR¹ \$39.95 first device; \$9.95/device after

Table Service Restaurant – FSR¹ \$69.95 first device; \$9.95/device after

¹All fees are billed through the Clover App Market

²Payment Plus and Register Lite are not available on Clover Station
